

## SUNRISE ENGLISH PRIVATE SCHOOL, ABU DHABI 2023-2024

Field trips are a part of the curriculum and are meant to expose students to their actual and practical fields of work where they visit different industries and projects. Sunrise English Private School was selected for the Future Riders Programme hosted by the Abu Dhabi Police Special Patrolling Department (Cavalry Section) on 15<sup>th</sup> May 2023. A group of 20 students from Grade 7 to 9 attended the program. The major objective of the program was to induct students to make them aware about the horse rearing and related practices. Dr. Mahmoud, the equine veterinarian and Mrs. Amal E Shehhi, the horse riding instructor, conducted the awareness session for the students. It was indeed an exciting and informative session for the students. The students were given an opportunity to explore different breeds of horses, their rearing and training.
