

SCHOOL ANNUAL REPORT

2024- 2025

Sunrise English Private School, Abu Dhabi.

It is my privilege to present the Annual Report of Sunrise English Private School for the academic year 2024-2025. With the guiding motto "Lighted to Lighten," Sunrise English Private School, established in 1988, continues to uphold its commitment to imparting quality education to expatriate children. Aligned with the 10+2 pattern of education prescribed by the Central Board of Secondary Education (CBSE), New Delhi, the school remains a beacon of academic excellence and holistic development.

The vision of Sunrise English Private School is to nurture excellence by empowering young minds through collaboration, informed decision-making, and continuous improvement. We strive to prepare our students as responsible global citizens equipped to navigate future challenges with confidence and competence.

Our mission is to achieve academic excellence consistently while meeting the academic, social, and emotional needs of our students. Through a well-rounded and balanced curriculum, we nourish the whole child—academically, socially, and spiritually—to shape them into responsible individuals.

The academic year 2024-2025 have been yet another milestone of remarkable success for Sunrise English Private School. Our students demonstrated exceptional academic achievements and actively engaged in diverse extracurricular activities and community service projects. These accomplishments highlight their dedication, perseverance, and passion for learning.

Beyond academics, our students participated in a variety of extracurricular pursuits, including sports, arts, and cultural programs. These activities allowed them to explore their talents, cultivate creativity, and develop essential life skills. Moreover, community service projects such as fundraising initiatives, eco-friendly drives, and local outreach programs exemplified their commitment to giving back to society.

The dedicated efforts of our teachers and staff have been instrumental in providing a high-quality education that goes beyond academics. With a focus on core subjects, as well as enriching activities such as music, art, physical education, and innovative projects, our students received a comprehensive learning experience. Field trips, special events, and off-campus opportunities further enhanced their academic and personal growth.

It is with immense pride that I take this opportunity to share a glimpse of the past year's memorable activities and accomplishments with you.

Our teachers and staff worked hard to ensure that each student received the highest quality of education. Our curriculum not only focused on the core academic subjects, but also included music, art, physical education, and a variety of enrichment activities. The students of the primary section actively participated in a wide array of activities and competitions during the academic year 2024-25. These activities aimed to foster creativity, teamwork, academic excellence, and cultural awareness while providing students with opportunities to showcase their talents.

□ Congratulations Angela Mary Christo!

When our spelling is perfect, it's invisible. But when it's flawed, it prompts strong negative associations."

The children of today's world, driven by the encyclopedias of the internet, have forgotten the charming capabilities and honor that come with being masters at spelling. English, a necessity of today's world, is merely a subject of pass time for the latest generations. To bring our students together, to become spelling champions, and instill in them the value of good and proper spelling, Royal Spelling Bee, a prestigious educational institution has taken on the responsibility to do so. It is with great joy that the Prize Distribution Ceremony for the winners of Emirates Level 2023-24 Royal Spelling bee competition to award and celebrate their accomplishments was conducted at The Auditorium, Indian Islamic Center, located on Najda Street, Abu Dhabi. Along with her peers, Angela Mary Christo of class 7D, has secured sixth position in Category 4, for the Abu Dhabi Emirates Level Championship 2023-24. She was felicitated with a certificate for her achievement.
